G. The following (items 1–18) only apply to the Acri HomeProtector[®] Line Protection Restoration Program

1. This Line Protection Restoration Program (Program) is available only to customers who are currently/actively enrolled in Acri HomeProtector Gas Service Line Protection Program and/or Water Service Line Protection Program (the “LP Programs”).

2. This Program covers only the labor and materials for site restoration after a service line repair has been performed under one or more of the LP Programs and is limited to:

Grass Restoration: This Program will cover the restoration of the existing grass or mulch bed located over the area disturbed by any excavation made in conjunction with an LP Program and will include tamping, adding topsoil and either, in Acri HomeProtector’s sole discretion, (i) reseeding and covering the reseeded area with straw or (ii) laying sod.

Concrete or Asphalt Restoration: This Program will cover the repair or replacement of existing concrete or patching of asphalt for items such as driveway sections, sidewalk pads, curbs or walkways that were disturbed by any excavation made in conjunction with a LP Program.

3. Acri HomeProtector’s obligation under the Program shall be limited to two thousand dollars (\$2,000) per restoration. If Acri HomeProtector determines that the cost of a restoration under the Program will exceed two thousand dollars (\$2,000), the customer will be allowed to choose where to allocate his/her entire restoration allowance. (e.g., the entire \$2,000 allowance may be applied to concrete replacement in lieu of grass restoration). Customers choosing to allocate their full allowance to a particular segment of a site restoration project will be required to sign documentation to that effect.
4. All concrete and asphalt work will be performed to the highest of standards for preparation and finishing to prevent cracking, sinking and deterioration under normal conditions. All work will be completed in accordance with all applicable laws, codes, rules and regulations. Acri HomeProtector is not responsible for cracks in the concrete resulting from freezing, thawing, settling of ground or for damage or deterioration of concrete surfaces which have been subjected to ice thawing materials such as salt. Asphalt patches are not guaranteed. If Acri HomeProtector performed the original backfill, tamp and reseeding work over the gas or water service line excavation and there is settling that requires more topsoil, tamping and reseeding during the next six (6) months from the original service date, Acri HomeProtector will take corrective measures such as adding more topsoil/fill, tamping and reseeding. The decision to replace unresponsive grass will be made by Equitable HomeWorks on a case-by-case basis. Grass that dies within the first thirty (30) days of planting will be replaced unless it died as a result of improper care by the Customer, drought, freezing, flooding, fire, abuse, vandalism, subsidence, natural disasters, other acts of nature, or other abnormal causes. Services do not cover any inspections and all concrete/asphalt site restoration work is provided to the customer “AS IS” with no warranty of any kind. This Program does not cover site restoration required as a result of acts of nature, acts of Customer or third parties, drought, freezing, fire, flooding, subsidence, natural disasters, abuse, vandalism, or other abnormal causes.
5. Customer’s enrollment in the Program is on a monthly basis and is subject to acceptance by Acri HomeProtector under applicable laws and subject to credit approval. Program fees are billed in advance to Customers, plus any sales or other taxes that apply. The coverage period commences on the first day of the next month following the statement closing date after receipt of your payment. If a payment due has not been received in full by the closing date, Acri HomeProtector will discontinue your participation in the Program at the end of the last prepaid month. House Line Protection Program, the Gas In-House Line Protection Program, the Water Service Line Protection Program, the Line Protection Restoration Program, the Sewer Service Line Program, and the Heating/Cooling Protection Program (last priority).

6. Customer may terminate his/her enrollment in the Program at any time; however, no termination may occur within 12 months of a covered site restoration or repair under the Program. To terminate before the 12 months, Customer must reimburse the cost of the site restoration. Acri HomeProtector will not refund any pre- payments made to the Line Protection Restoration Program. Acri HomeProtector reserves the right to change or terminate Program, or adjust the Program fees, upon sixty (60) days prior written notice.
7. Site restoration services will be performed by Acri HomeProtector' network of service providers. Acri HomeProtector will contact Customer within ten (10) days of the completed line repair to arrange for the site restoration work.8.If upon inspection, further service and/or materials are desired or required, Acri HomeProtector' Contractor will prepare and provide in writing to Customer an estimate of costs and, upon Customer's approval, will provide the additional service work and bill Customer for such labor and/or materials. Payment for additional services must be made payable to Contractor at, or prior to, the time of service.
9. Acri HomeProtector reserves the right to refuse service and to refund any Customer payments, less the cost 0of any work already performed, if upon inspection, it is determined by Acri HomeProtector or its Contractors, in Acri HomeProtector' or its Contractors' sole opinion, that (a) the work site is unsafe for workers or (b) the estimated cost exceeds the Program maximum of \$2,000 and Customer does not want to pay the additional costs or (c) the existing Landscape-Asphalt-Concrete materials are in such poor condition that service would be ineffective or unsatisfactory. In the event Acri HomeProtector makes such a refusal, it will refund all money paid by Customer into the Program less the cost of any work already performed.

IN ADDITION, CUSTOMER'S SOLE AND EXCLUSIVE REMEDY AGAINST ACRI HOMEPROTECTOR SHALL BE A REFUND OF FEES ACTUALLY PAID BY CUSTOMER TO ACRI HOMEPROTECTOR WITH RESPECT TO THE SPECIFIC SERVICES OUT OF WHICH LIABILITY AROSE, AND IN NO EVENT SHALL ACRI HOMEPROTECTOR' LIABILITY EXCEED THE AMOUNTS ACTUALLY RECEIVED

BY ACRI HOMEPROTECTOR FROM CUSTOMER UNDER THE INSTANT CONTRACT WITH RESPECT TO THE SPECIFIC SERVICES OUT OF WHICH THE LIABILITY AROSE. THE LIMITATION ON DAMAGES IN THIS PARAGRAPH SHALL APPLY UNDER ALL THEORIES OF LIABILITY INCLUDING BUT NOT LIMITED TO CONTRACT, WARRANTY, TORT, OR STRICT LIABILITY.

14. FAILURE TO COMMENCE ANY SUCH CLAIM, CAUSE OF ACTION OR LEGAL PROCEEDING WITHIN SUCH PERIOD SHALL CONSTITUTE CUSTOMER'S VOLUNTARY AND KNOWING WAIVER THEREOF.
15. Any failure by Acri HomeProtector to enforce any of the provisions of these terms and conditions will not be construed as a waiver of such provisions or Acri HomeProtector's right to enforce each and every provision on subsequent occasions. In the event any provision(s) of these terms and conditions are found to be invalid or unenforceable, the parties hereby agree that the court shall enforce such provision(s) to the extent permitted by law and, to the extent such provision(s) is not enforceable, shall enforce the remainder of the terms and conditions as if such provision(s) were not included in this contract.
16. Acri HomeProtector reserves the right to refuse service or to refuse to honor service warranties, or to refuse to honor certificates or discounts if Customer fails to timely pay all service fees, or if Customer's account is past due for any other reason.
